Defendant.)

Pursuant to stipulation, the parties are to submit a proposed judgment terminating this action by December 9, 2013. ECF No. 77. The parties, through their counsel, met and conferred on Friday, December 5, 2013, concerning a potential dispute about the scope of the court's summary judgment order. In response to this conference, Defendant intends to provide additional information to Plaintiff concerning Defendant's recent supplemental productions in the hopes of resolving this dispute. The parties believe a brief extension of the current pending deadline will aid

1 in their effort to resolve this matter without court assistance. Accordingly, the parties have
2 stipulated to and request an additional one-week extension until December 16, 2013, at which point
3 they will either file the proposed judgment terminating this action or file a joint status report.

4 The requested change will not affect any other dates in the present schedule.
